## ABOUT AURORA

---

Aurora is an 84-foot luxury motor yacht, designed to deliver a seamless blend of timeless elegance and modern sophistication. With her graceful lines and recently refitted interiors, she is the perfect choice for intimate family escapes, vibrant celebrations, or stylish corporate charters, hosting up to 8 guests overnight in supreme comfort.

Her expansive outdoor spaces invite guests to savour life on the water. The flybridge is a true highlight, featuring a dining area, plush sun loungers, and a retractable sunshade for all-day enjoyment. A hydraulic swim platform transforms into a private beach club, creating the ideal launchpad for swimming or indulging in the array of water toys.

Inside, Aurora's refined interiors showcase rich cherrywood finishes and an inviting saloon designed for relaxation and entertainment. Panoramic windows bathe the living spaces in natural light, while a formal dining area offers an elegant setting for gourmet meals prepared by your private chef.

Accommodation includes four beautifully appointed staterooms: a full-beam master suite, a VIP cabin, one double and one twin cabin, ensuring all guests experience the utmost privacy and luxury.

With a dedicated crew of four attending to every detail, Aurora promises unforgettable journeys along Australia's most iconic cruising grounds—from the glittering waters of Sydney Harbour to the tropical paradise of the Whitsundays.

Aurora is your private sanctuary at sea, offering adventure, relaxation, and world-class service in equal measure.
