## ABOUT SIRENUSE

---

SIRENUSE is a 109-foot luxury superyacht that combines Italian elegance with contemporary design, offering expansive living spaces for both relaxation and entertainment. Built by Monte Carlo Yachts in 2022, she is ideal for sophisticated escapes, family getaways, or vibrant day events, accommodating up to 8 guests overnight and up to 36 guests for day charters.

The aft deck features a refined alfresco dining area with seamless access to the open-plan saloon, where panoramic windows frame breathtaking ocean vistas. Above, the flybridge invites social gatherings with its Jacuzzi, wet bar, sun lounges, and shaded seating, perfect for unwinding in comfort. The foredeck sunpads and hydraulic swim platform offer the ultimate spots to soak up the sun or enjoy effortless access to the water.

SIRENUSE blends cutting-edge style with laidback luxury, showcasing light, airy interiors complemented by warm timber finishes and modern Italian furnishings. Natural light floods the living areas and guest cabins, creating a calm and inviting atmosphere throughout.

The yacht offers four beautifully appointed staterooms, including a full-beam master suite, a VIP double, and two convertible twin/double cabins—all with private ensuites. A professional crew of five, including a private chef, is dedicated to creating bespoke itineraries and delivering flawless service.

Based year-round in Sydney and available for charters along Australia's east coast, SIRENUSE is your gateway to exploring iconic coastlines in style—offering luxury, adventure, and memories to last a lifetime.
