ABOUT ORRAIA

ORRAIA is a 90-foot luxury superyacht, designed to deliver an unparalleled experience of elegance, comfort, and adventure along Australia's spectacular coastline. Launched in 2024 and crafted to the highest standards, she is perfectly suited for intimate escapes, family holidays, and unforgettable celebrations, accommodating up to 10 guests overnight.

Her contemporary design offers expansive spaces across multiple decks, seamlessly blending indoor and outdoor living. The main deck features a refined dining area and a light-filled saloon with panoramic ocean views, while the upper deck invites guests to relax in style with a wet bar and shaded lounges. On the sun deck, a jacuzzi spa and plush sunbeds provide the perfect setting to unwind as you soak up the serenity of the sea.

ORRAIA's interiors reflect a sophisticated, nature-inspired palette with luxurious finishes and bespoke detailing. Large windows throughout flood the yacht with natural light, creating a warm and inviting atmosphere.

Five beautifully appointed staterooms, including a full-beam master suite, two queen staterooms, a convertible twin/queen cabin, and a VIP suite—all with private ensuites—offer supreme comfort and privacy for every guest.

A professional crew of five, including a talented private chef, delivers world-class service to ensure every moment aboard ORRAIA exceeds expectations. Whether cruising the iconic Sydney Harbour or exploring the pristine Whitsundays, ORRAIA is your gateway to luxury, relaxation, and adventure on the water.
