## ABOUT SEGARA

---

Segara is an 88-foot luxury motor yacht, featuring generous outdoor spaces across three decks, designed to deliver the perfect balance of relaxation and entertainment. Recently refitted to exacting standards, she is ideal for intimate escapes, family adventures, or sophisticated corporate charters, accommodating up to eight guests overnight.

The main deck offers a welcoming aft dining area and a light-filled saloon with panoramic views, while the upper deck is designed for social gatherings with comfortable lounge seating and a versatile entertainment space. On the foredeck, guests can stretch out on sun pads and enjoy uninterrupted ocean vistas as they cruise Australia's spectacular coastline.

Segara combines understated elegance with modern comfort, showcasing warm timber finishes, soft furnishings, and bespoke detailing throughout. Large windows flood the interiors and guest suites with natural light, creating a serene and inviting atmosphere.

The yacht offers four beautifully appointed staterooms, including a main deck master suite, a VIP cabin, and two twin/convertible staterooms—all with private ensuites. A dedicated crew of three, including a talented chef, provides seamless service to ensure every moment onboard is tailored to perfection.
